

## THANK YOU FOR CHOOSING OUR QUALITY PRODUCTS.

In order to enjoy the mannequin for a long time, please pay attention to our care and handling recommendations.

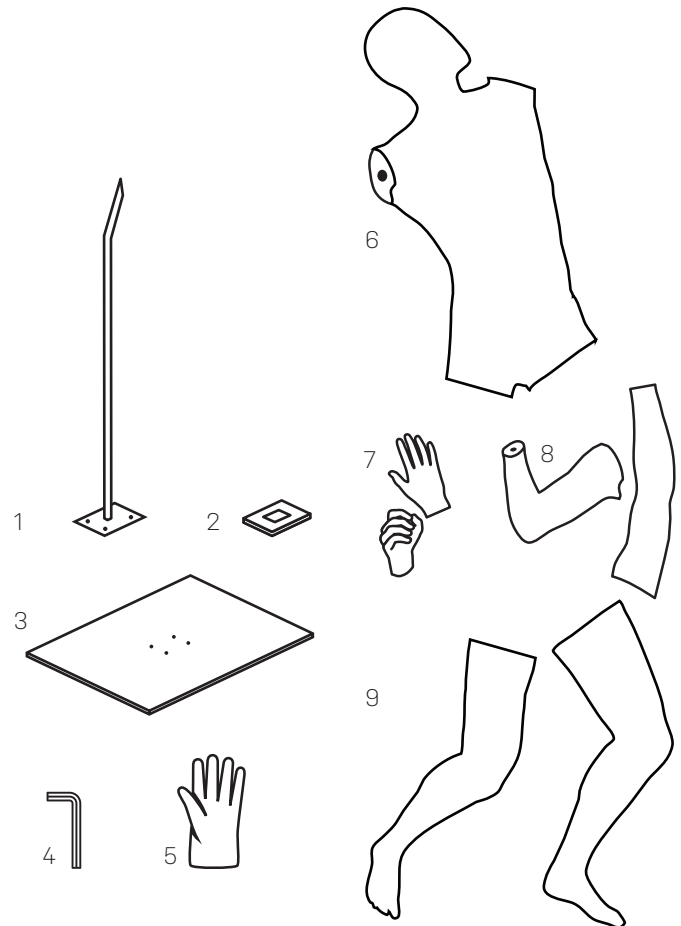

### PLEASE NOTE:

Since this style is part of an extensive sports collection, the bases are optimised for each pose to offer the best stability.

### WHAT'S IN THE BOX:

- 1 four screws back pin assembly
- 2 square assembly mask
- 3 base plate with four screws
- 4 allen key
- 5 protection gloves
- 6 upper body part
- 7 hands with L-Pin system
- 8 arms with push/pull fitting
- 9 legs with magnetic fitting

**Tip:** We highly recommend you to mark each part of the mannequin, base and connectors in a non-visible area like the connection ports of the torso, legs, arms and hands to keep all the components together in case of future disassembly or reassembly.

### ASSEMBLING INSTRUCTIONS:

#### STEP 1: Safety

Please take off all jewellery and put on gloves.

#### STEP 2: Opening the box

Use a box cutter / scissors to cut the straps, box and protective foam bags.

**ATTENTION!** Don't cut too deep to avoid damage on any of the mannequin components. Take all the parts out of the box one by one and place them on a soft surface.

#### STEP 3: Install the base on the floor

**3a** Screw the back pin (1) to the base plate (3).

**3b** Place the assembly mask (2) over the back pin.

◀ begins on other side

## STEP 4: Install the legs

**4a** Position the upper body part (6) on the base by inserting the pin into the back fixation. Ensure that the base is stable and on a flat surface to avoid any stability problems.

**4b** Attach the legs (9) to the upper body part (6) using the magnetic fitting.

**Tip:** This is a good time to dress bottoms and shoes.

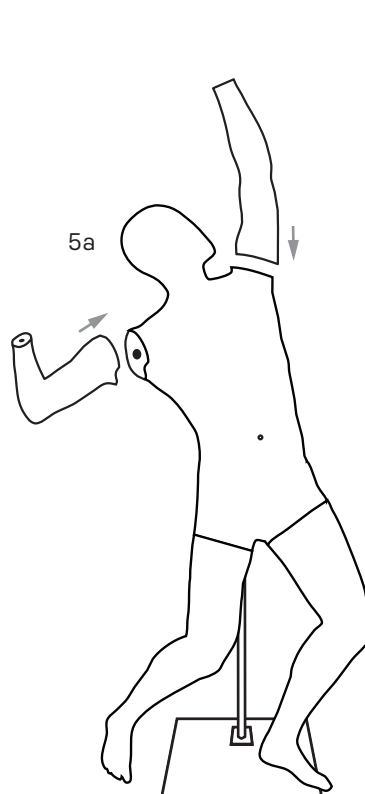

## STEP 5: Install arms and hands

**5a** Connect the arms (8) onto the upper body part (6).

**Tip:** Before installing the arms, we recommend dressing tops first.

**5b** Connect the hands (7) inserting them and turning until they reach their final position.

**Tip:** Only connect the hands once the mannequin is completely dressed.

## HANDLING & CARE GUIDELINES:

We recommend you to (dis)assemble the mannequin on a soft and flat surface to avoid any damage.

In order to clean the mannequin, use a slightly moistened cloth with detergent that has been diluted with water.

Minor stains can be removed with an eraser.
